FRUITFUL TRAINING GROUP LLC

ABOUT

Fruitful Training Group is a woman and minority-owned organization passionate about professional development, with more than 15 years of training/teaching experience across multiple industries and professions. We specialize in highly engaging, instructor-led, professional development workshops. We offer customization of content that meets clients' needs, as well as connection and partnership with those we serve. Our offerings include DiSC® and The Five Behaviors® assessments, lunch 'n learn sessions, instructional design, training development/delivery, webinars, facilitation, coaching, keynote address, and more.
